VERY LATE AND IMPORTANT FROM THE FRONT.

OFFICIAL DISPATCH FROM GHN. GRANT.

HIS ARMY SUCCESSFULLY ACROSS THE PA-MUNKEY AND THREE MILES BEYOND THE RIVER.

A SEVERE ENG! GEMENT WITH THE ENEMY

HE IS DRIVEN ABOUT A MILE, LEAVING HIS KILLED AND WOUNDED IN OUR HANDS!!

MAY 30th-12 O'CLOCK.

A despatch from Gen. Grant, dated yesterday at Hanovertown, has just been received by the War Department. It states that the army has been successfully crossed over the Pamurkey, and now occupies a front about three miles south of the river.

Yesterday two divisions of our cavalry had a severe engagement with the enemy, south of Harris's Store, driving him about a mile upon what appears to be his new line. We will find out all about it to-day.

Our loss in the cavalry engagement was 350 killed and wounded, of whom but 44 are ascertained to have been killed. Having driven the enemy, most of their killed and many of their wounded fell into our hands.

LATE FROM GENERAL SHERMAN.

MOPHERSON HAS AN ENGAGEMERT WITH THE ENEMY ON SATURDAY, AND DRIVES THEM BACK WITH A LOSS OF 2,500 KILLED AND WOUNDED.

WASHINGTON, May 30th. Mojor General Dix, New York :

No official des; atches from the Army of the Potomac have been received since my telegrams of Saturday evening.

A telegram from General Sherman dated near Dallas yesterday, the 29th, at 7.30 a. m. reports that on Saturday an engagement took place between the enemy and McPherson's Corps, in which the rebels were driven back with a loss to them of 2,500 killed and wounded left in our hands, and about 300 prisorers McPherson's loss being not over 300 in all. E. M. ST. NTON, Secretary of War.

ARRIVAL OF ALDEL PRISONERS-ONE OF THEM SHOT.

Six hundred and thirty-five rebel privates and twenty-two officers arrived at the Sixth street wharf yesterday, from Port Royal, on board the steamer Dictator. The officers were taken from the vessel and committed to the Old Capitol, but the Dictator was ordered to proneed to Point Lookout and there unload the remainder of the prisoners.

While the Dictator was lying at the wharf, several of the prisoners attempted to make heir escape by jumping overboard, but were aught in the act by the guard. One succeeded getting overboard, but was fired upon by the guard, the ball taking effect in the neck. This intimidated the rest, and no further trouble

It having become known that these rebel prisoners were at the wharf, a large crowd of persons soon collected there. Among this number were several sympathizing females, who expressed their regards for the prisoners by purchasing several baskets of pies and cakes from the venders who line the wharf, and distributing them amongst the prisoners. These women were not allowed to approach the boat, but they paid the venders to throw the contents of their baskets in the midst of the prisoners, which caused a general scramble among the rebs. to catch the edibles.

In the afternoon when the authorities went to furnish the prisoners with their rations, considerable difficulty was experienced in getting the negro laborers to carry the rations on board the vessel, as they were afraid to approach the prisoners, apprehending rough treatment, and all persuasion was found to be of no avail. Finally a file of soldiers was procared to co-operate, when the contrabands marched to their work.

The following are the rebel officers brought up on the Dictator: Col. J. N. Brown, 14th S. O.; Capt. A. J. Critcher, 37th N. C.; Capt. T. B Horton, 11th Va.; Capt. J. K. Kyle, 52d N. C.. Capt. N. N. Wilson, 16th N. C.; Lieutenant P. B. Akers, 11th Va.; Lieutenaut B. W. Richards, 22d N. C.: L eutenant L. B. Doyal, 5th Va.; Lieutenant N. D. Embrey, 11th Va.; Lieutenant J. Fickerson, 14th La.; Lieut. R. A. Glean, 224 N. C.; Lieut. J. W. Kratzer, 12th Va.; Lieut-4 J. Leftwich, 22d Va.; Lieut. W. N. Morgan 1th Va; Lieut. G. P. Novell, 11th Va.; Lieut. ). J. NOT TRUE. We are satisfied that there is no trath in the statement by a cotemporary, "that an order has been seved by General Grant placing all t e troops in the department of East Virginia under the command of Major General (Baldy) Smith, and Major General Builer is appointed Military Governor of the Department Headou rers, until atter Richmond is captured, at Fo. tress Monroe.

"Also, that all the troops in the fleid, in the Detartment of the Gulf and west of the Mississ ppir ver, not including Missouri, are to be commanded by Maj. Gen. Canby, and Maj. Gen. Banks has been appointed Military Governor of Louisiana, headquarters at New Orleans."

THE CASE OF ARGUELLES. In the case of Arguelles, the Captain Gen-

eral of Cuba announces the arrival of Arguelles at Havens by the steamer Eagle, in custody of the Spanish agent. The Captain General, in his letter, returns his thanks to Mr. Seward for the service which he has rendered to humanity, by furnishing the medium through which a great number of men will obtain their emancipation, whom the escape of Arguelles would have reduced to slavery. The Captain General adds that simply the presence of Arguelles, on his return to this Island, has already, and in a few minutes, given liberty to eighty-six human beings.

REPORTED CAPTURE OF SOME OF OUR CAV-It is reported upon the streets to-day that the detachment of cavalry which was sent out to the Wilderness from Fredericksburg for the purpose of bringing in some of our wounded which were left in field hospitals has been captured. This may possibly prove to be true, as nothing has been heard from them; but the authorities here appear to be satisfied that the force was sufficiently strong to repel any attack that may be made by the guerrillas who infest that neighborhood.

### CONGRESSIONAL

XXXVIIITE CONGRESS .- FIRST SESSION MONDAY. May 30.

SENATE .- The consideration of the Internal Revenie bill was resumed. Mr. Fesse den prop sed an amendment to the end of the 93d section, imposing a duty of one per cent on bul ion in ingot, bars or other wise, provided it shall not extend to miners or or ginal producers

Mr. Conness desired to have the House provision in another part of the same section struck out before acrus on this. That provision being as follows: "The gold and silver produced from quartz n ites, from beds of rivers, from the earth, or

in any other way or manner, a duty of five per ce. tum.' Discussion ensued between Messrs. Fessenden, Conness, McDougall, Nesmith and others. house .- On motion of Mr. Morris, of Ohio, the Committee on the District of Columbia were instructed to inquire into the expediency of reporting a bill providing that all juvenile off-pders convicted of crime in the said District be sentenced to some house of correction outside of the District, at the least expense of

the Government. On motion of Mr. Davis, of New York, the Committee for the District was instructed to investigate and inquire generally into the financial condition of the Washington National Monument Association.

The House took up the resolution heretofore offered by Mr. Rollins, declaring that, prompted by a just patriotism, we are in favor of an earnest and successful prosecution of the war, and that we will give a warm and hearty support to all those measures which will be most effective in speedily oversoming the rebellion. and in securing a restoration of peace, and which may not substantially infringe the Constitution and tend to subvert the true theory and character of the Government, and we hereby reiterate that the present deplorable civil war has been forced upon the country by the disunionists now in revolt against the Constitutional Government; that in the progress of this war Congress, banishing all feeling of mere passion or resentment, will recollect only its duty to the whole country; that this war is not waged on our partin any spirit of oppression, nor for any purpose of conquest or subjugation, nor for the purpose of overthrowing or in erfering with the rights or established institutions of those States, but to defend and maintain the supremacy of the Constitution, and to preserve the Union with all the dignity, equality and rights of the several States unimpaired; and that as soon

as the se objects are accomplished the warought to cease Mr. Rollirs advocated the resolution. While holding there was no punishment too severe for the leaders of the rebellion, we ought to open the way for the misled people to return to their allegiance. After the war is over there must be negotiation and reconciliation. Whilst he was in layor of carrying on the war for the purpose mentioned in the resolution, he nevertheless, expressed the opinion that if the war had been carried on upon the principles of the Crittenden resolution, it would be now probably terminated.

Mr. Fernando Wood, after failing to obtain an opper unity to amend the resolution, moved to lay it up n the table. This wa disagreed to-yeas 17, nays 114.

The resolution was then referred to the Committee on the Recellions States-yeas 81, nays The House resumed the consideration of the Kentucky cortested election case.

This school, considering that during the past year the church was closed for a considerine, deserves special mention for the number and general tine appearance of the

Sixth Presbyterian School, P. M. Pearson, superintendent; Henry Ellis, marshil, with 95 scholars in line; headed by a fine banner, with a representation of two children reading a hitle on its front, and on the reverse the name and date of organization of the school.

Seventh Street Presbyterian, headed by a band of music, under the direction of Walter Newton, marshal, with 156 scholars and teach. ers in line. A banner bearing on the front the presentation of a youth with Bible in his arms, on the side of a mountain, with the motte, "I press towards the height," was carried by this school, and a large flag was borne by a number of small boys, while others carried smaller flags, presenting quite an attrac-

live appearance. Island Paptist, John P. Lucas superintend. ent, and Mr. Hendley marshal, bearing a fine white mik banner with suitable inscription, with some 80 scholars in line. St. John's Latheran-Rev. Mr. Hennighausen

acting superintendent; Mr. Thieleke marshal, with 90 scholars in line, and red silk banner with name of the school at their head. The boys of the Newsboys' Home did not

appear in procession, as they were all too busy in looking out for an "Extra." On arriving in the Capitol grounds, the precession was marched around the walks, and the schools were soon seated in front of the music stand, when the exercises took place, Mr. George R. Thompson leading the singing. The opening prayer was made by Rev. Mr. Mace, of Vermont; the second prayer by Rev. Mr. Johnson of the Second Baptist (Navy Yard) (hurch. Appropriate addresses were delivered by Hon Mr. Myers, of Pa., and Rev. Mr. Gillette, of the 13th street Baptist Church and about noon, the programme having been gone through with, the assemblage dispersed. Besides the schools, there was a large number of spectators on the ground, and the fine appearance of the schools was the subject of frequent remark.

SUSPICIOUS OF GRAND LARCENY. - LAST night Wm. Roberts was arrested by officer Williams upon suspicion of stealing over \$30 from C. F. Knoles. Knoles is a wounded soldier, and Roberts a brakesman on the U. S Military Railroad, and both occupied rooms in the American Hotel, 7th street, near Penna averue. Knoles laid down on his bed and had his money in his pocket book in his pocket Knoles slept and when he awoke Roberts was in the room and Knoles missed his money. There was no evidence to show that Roberts took the money and Knoles would not make the charge positively against him. Justice Giberson held Roberts for a further hearing at

noon to-morrow. Chas. Washington, colored, was arrested by officer McElfresh for stealing \$35 from Mrs Rebecca Smith. Washington was a servant employed by Mrs. Smith for three months past, and during that time various little thefts have been perpetrated; and the prisoner was suspected, but no positive proof could be brought against him. Last night Mrs. Smith locked her money in a writing desk, locked the room dor, and went to church. Upon her return she discovered the room had been entered, the desk broken open, and the money taken; and what was surprising, a quantity of jewelry and silver ware in the desk was untouched. Mrs. Smith testified that the prisoner was the list servant she saw in the house when she went to church. The case being very suspicions, Justice Giberson held him to bail for forther hearing.

FIGHTING BOYS .- Saturday afternoon Officer Pendall arrested three young men, George Cudlip, Charles Wharton, and James McDonald, for fighting on Pennsylvania avenve, be tween 4% and 6th streets. As all appeared to be under the influence of whiskey, it is probable that whiskey was the cause. Justice Bates held them to bail for peace. Shortly after offi-cer Morris arrested George H Brtler and Andrew Lewis colored, for fighting at the corner of 7th and G streets, whiskey was the probable cause of their fight, and Justice Giberson fined Butler \$1.58, for being noisy in the station house, and dismissed Lewis who behaved better. Ed Hughes, F. Ranshaw, and Lucien Warfield, three soldiers, got drunk and had a fight about 11 o'clock, on Pennsylvania avenue near 3d street, and were arrested by officer O'Connell. Justice Giberson dismissed them upon their promise to do no more fighting among their fellow invalids. Captain Whiskey had a large company under his command Saturday night.

NAVY YARD .- The gunboat Queen, of Admiral Lee's squadron, arrived up yesterday from Fortress Mouroe for ordnance stores. The Ella is being rapidly put in order, and the Don, the captured steamer, (not schooner, as stated by a cotemporary.) is being rapidly refitted, preparatory to making her the flag ship of Com. Parker, of the Potomac Flotilia The steam fire-engine Hibernia, which has been under repairs, was tried on Saturday afternoon, throwing powerful streams, evincing the superiority of steam over hand power, and

giving general satisfaction to all who wit-Nearly every department in the yard is chock up with work, particularly the boiler-makers and machinists; the latter department having now two sets of machinery for guaboats on hand Good boiler makers and machinists are much wanted in the yard.

THE MALONE ROBBERY .- The readers of the far will emember the robberry of Paymaster Nalone, on C street near Four-and-a-half. some months ago, of money amounting to about \$70,000. We hear that three parties have been arrested on information that they were con nected with the robbery. It is reported that one Dugan, late a detective officer, and -Kenney, said to be connected with the New Yors press, and also a person named Murphy have been arrested. A man by the name of Hogan is said to have been also arrested by the Government. Also a woman, whose name we could not learn, is mixed up in the affair, and all are now in the Old Capitol. A part of the money has been recovered-some of the original. The arrests were made by Mr. Wm. Kneass, acting by anthority of Superintendent Wood, of the Old Capitol prison.

DICISION OF JUSTICE BATES .- Justice Bates. this afternoon, after having for two days listered to the evidence in the cases against Uapt. Nathan Darling and M. K. Levitt, who were arrested for assault and battery upon each other rendered his judgment. Mr. Levitt was dismissed, there being no evidence to justify the sending of his case to court. Capt. Darling was held to bail for court in the sum of \$500, the Justice deciding that the evidence clearly indicated that he was the assaulting party.
